

If you are travelling from the north you cannot make a right-hand turn onto President from the Highway, instead continue on the highway as though you were going to Sutherland, take the first left at Auburn St or second left at Glencoe St, and right onto President

The only entry to the Bee Gardens is off President Avenue, turn onto Merton Street, then right at Forest Road, left into Eaton Street, continue to the end and park on the grass area, please be considerate of the locals and Do Not park in drive ways

Thank You
